Dear Nick

I hope this letter finds you well.

On behalf of all of everyone at The Chiltern Centre, I want to extend our deepest gratitude for the support you have continued to show us and the wonderful amounts raised for us by Rupert House School.

It means so much to us to have strong connections within our community, our long-standing partnership with you means so much to us - your efforts in fundraising for us are truly appreciated and make a real difference in the lives of the young adults we serve.

Thanks to the generous donations from some of your school events, auctions, book sales and the children's activities, the time and dedication from your team and pupils, we can offer the young adults we support life-changing experiences and trips that they will cherish forever.

These contributions allow us to continue enriching their lives in ways that go far beyond what we could achieve alone, we are able to create a place where young adults with disabilities feel a true sense of belonging, where they are seen, valued and supported and where meaningful connections and friendships can grow. We are able to offer opportunities that encourage social interaction, confidence and independence.

Your generosity helps us provide experiences that are enriching, sometimes challenging and always designed to show that new possibilities are within reach. Above all, your donations help bring joy into everyday moments - through shared experiences, laughter, friendships and the small achievements that make a big difference.

We are so grateful to have had the opportunity to bring the people we support to watch the children's shows, and we are hoping to be able to host some of the year 6s to help with some gardening at the centre this spring. We look forward to building on our partnership in the future.

Thank you once again for continuing to support us, it means the world to us.

We would love to see you at the centre for visit soon.

With warmest regards,

David Haddock
Interim Chair of Trustees
