### **Discover STEM - 30th July only**

An exciting hands-on experience where creativity meets innovation. Using cutting edge Lego Spike Prime robots, you will design and build your very own robot, bringing it to life with basic coding. Then the real challenge begins. Working in pairs, you will test your problem-solving skills as you tackle dynamic challenges and navigate, adapt and conquer the tasks ahead. More than just building, Discover STEM Lego Robotics Lab is

about sparking your imagination and exploring the exciting world of design & engineering. Are you ready for the challenge?

- Open to all children aged 7 to 14 years
- Tuesday, 30th July 2025
- 8:00am to 5:30pm
